

URGENT!

SAVE SOCIAL SECURITY

- 87% of Americans agree that Social Security should remain a priority for the nation no matter the state of budget deficits.
- *National Institute on Retirement Security nationwide survey.*
- SSA's 50-year staffing low combined with an all-time high rate of beneficiaries is resulting in long wait times for constituents.

Tell Congress to:

- 1.** Keep Social Security offices open.
- 2.** Protect Social Security workers from firings and layoffs that will hurt service.
