AFGE COUNCIL 224

One of six American Federation of Government Employee (AFGE) Councils at the Social Security Administration (SSA) representing most at SSA's Office of Analytics Review and Oversight (OARO)

- SSA Must Fully Reopen and Renegotiate the Detrimental 2019 National Agreement
- Congress Should Appropriate \$17.39 Billion for SSA in the Fiscal Year 2024 Budget
- SSA Needs to Fully Implement and Abide by President Biden's Federal Labor-Management Executive Orders
- Nomination, Appointment and Confirmation of a New Permanent SSA Commissioner is Required Promptly
- SSA Must End its Distrust and Overbearing Micromanagement of its Workforce
- SSA Should Expand and Maintain Maximal Telework to Retain and Attract Employees That Boost Productivity
- SSA Ought to Adopt a Fair and Transparent Appraisal System
- SSA Needs to Revise Its Top-Heavy Ratio of Managers to Employees
- SSA Must Halt and Reverse Chronic Understaffing at SSA and Especially at OARO's Office of Quality Review (OQR)
- SSA Should Expand OQR Since Every \$1 of Investment Has Been Documented to Save \$11 in Savings to the SSA Trust Fund and Federal Treasury by Preventing Incorrect Disability Determinations
